Residential builder Jim Johnson Group won the Overall Favorite Home honor by the Home Builders Association of Greater Dallas in conjunction with the Frisco Parade of Homes.

The Semi-annual event showcases eight homes this year and runs through June 10.

The Jim Johnson Group earned the top prize for its "English Rose Manor" estate-style home at 10561 Tobias Lane in Frisco's Shaddock Creek community.

The home, inspired by classic English manor styling, has four bedrooms, four baths and expansive living areas opening to a covered veranda and pool area with waterfall and spa.
